# 1953 DAHLIA PRICE LIST

**GUARANTEE**—All of our roots are guaranteed to be free from disease, true to name and color, and in growing condition at the time of shipping. If root fails to grow please return the root to us and we will gladly replace it. We assume no responsibility other than this.

**TERMS and CONDITIONS**—Orders must be accompanied with at least a ten per cent deposit. Balance will be due at the time of shipping. On all orders under \$3 include 25c to cover postage and handling. On Washington orders add 3 per cent for sales tax.

**SUBSTITUTION**—We do not substitute unless asked to do so. If we are out of a variety at the time you order we will either refund your money or rebook your order.

**ABBREVIATIONS**—The letters immediately following the name of the varieties are the key to the classification of that variety. The first letter indicates the size of the variety and the second letter indicates the type.
